## Space Saving

Designed to take up less space in the kitchen or room especially if you have small kitchens, bathrooms, offices or even tight storage spaces. It also keeps the floor area clean, giving more space in the room or in your countertop.

## Multiple Use

Can be used as a regular waste container or as a compost bin to separate the food scraps from landfill. Hang the bin inside the cabinet or outside the cabinet door.. With option to hang using adhesive tape (included accessory)

## Hang It or Stick It

No need to drill, screw. Save valuable floor space by sticking the bin to a specific area, at a convenient height, making it easy to dispose trash without bending down or reaching for a traditional floor-based bin.

## Dual Lid Opening

Flip Back or Slide Front. Either way, it will keep the lid open for a wide opening to throw in the trash easily.

## Available in 7L ,9L, 12L

Available in 3 sizes that contribute to a more organized and efficient living or working space.

## Expand to Use – up to 7in Deep

Smart, Space-Saving Solution that easily collapses to fit small living space or areas with limited storage. Hang it on drawers, in the car or as a stand-alone bin on the table, you can surely maximize the efficient use of any available space.

## A must-have for organized living

Perfect for small spaces and on-the-go waste disposal. The collapsible bin encourages responsible waste management, contributing to sustainability efforts. For use with any 2-Gallon capacity bag.

## Dual Use: Bag Holder and Scraper

Versatile Use - It's portability allows effortless transport, making it suitable for indoor or outdoor use. Use it at home with areas that have limited space, or pack it on picnics or camping. The collapsible waste bin adapts to your lifestyle

## Adjust Opening to the Available Space

Cost Effective solution for efficient waste management without the need for bulky or expensive waste bins.

## Collapse When Not In Use for Easy Storage

Effortless Maintenance - the collapsible bin simplifies the emptying and cleaning. Wash after each use, fold it to store with such ease.

"It's better than good. It's all GLAD"

**Glad Knife Set for Kitchen**  
Comes with the primary knives needed to prepare any home cooked meal. These cook's tools are the ideal kitchen accessories for every home and apartment.

## Colored Knife Set with 5 Knives and 5 Covers

- **CHEF KNIFE (8 inches)** – All-purpose knife that is a must-have in every kitchen. Perfect for chopping, dicing, mincing, and slicing.
- **SANTOKU KNIFE (7 inches)** – A multipurpose knife specially made with oval-shaped depressions that help food from adhering to the blade.
- **BREAD KNIFE (8 inches)** – The long, serrated blade edge lets you cut your loaves of bread with ease without breaking the bread.
- **UTILITY KNIFE (5 inches)** – An ideal food prep tool for most everyday use that effortlessly slices fruit, cheese, and more.
- **PARING KNIFE (3.5 inches)** – Its short blade is perfect for precise peeling, cutting, mincing, and dicing. Great with small fruits and vegetables.

### Knife Sheaths Offer Added Safety and Protection

Each knife comes with its own sheath for a protective cover. When knives are not in use, the sheath is secured to the sharp blade to prevent dulling, scratches, and damage, and also keeps your hands and fingers protected when reaching for a knife stored inside of your kitchen drawer.
